## Message from the Director

The end of the year is fast approaching and it brings me much joy to say what a wonderful year it has been. We have had many changes this year but what always remains is the quality of our preschool and the passion and expertise of our staff. This has been my first year as Director and I want to thank you all for your support. My love and passion for Early Childhood Education continues to grow and I feel very strongly that a quality preschool program allows children to grow strong in their social and emotional wellbeing and paves a solid foundation for success as they travel through life. I look forward to seeing many of you in 2020 and for those families moving on to 'Big School' I wish you all the very best, we will miss you.

Have a safe and happy holiday and a wonderful new year, Nat
